It is not unlikely that many clubs & institutions, & some citizens of up-country districts will buy them. It is ascertained that there are 2 kinds of Satin Copies. Some Copies are given frames costing Rs 18 & the rest Rs 25* each. As seen from para 4 of G.O. of 2-10-15 the cost of framing is debited to the Contingent grant of offices indenting for these Copies. A Statement showing the names of offices asking for the supply of these Copies is put up. The Fy Auditor (sl 4) the Dir DTC (sls 49 & 60) & the Dir of Agri have clearly stated that the bills of cost maybe sent to them for adjustment & the rest are silent about the value. Now from the H.O. of various depts there is an indent for 17 Satin Copies & 4 16 Coloured portraits. Even after distributing Copies from out of the Stock with the Supdt. Govt Printing there remain 65 Coloured Copies & 96 Satin ones.

32 The Curator Book depot has already reported that there is not much demand from the Public for these portraits perhaps owing to insufficiency of advertisement. If agd a Notice will be put up so that it may appear in the Gazette for

To

The Chief Secretary to the Government of H. H. the Maharaja of Mysore.

Sir,

I have the honour to inform you that no reply was considered necessary to the D.O. quoted in the margin - No. 5397-458/G.M. 72-22 dated 31-3-23 - as this office had already been supplied with a portrait of H. H. the Maharaja of Mysore (duly framed and hung up) hence was not omitted, which, under the D. O. referred to, was thought possible. Nor are there any offices subordinate to this one, which require to be supplied with His Highness's Portraits, while all public institutions so far visited on the Kolar Gold Field, appear to have them.

I have the honour to be,
Sir,
Your most obedient servant,

L. Bocquet.
